

Thank you for your consideration in becoming a sponsor of the North Suncoast Chiropractic Society (NSCS). The goal of the NSCS is to preserve, promote, protect and advance the Chiropractic Physician profession. We proudly operate under the direction of the Florida Chiropractic Association (FCA), support the American Chiropractic Association (ACA) and encourage our members and sponsors to actively participate in all activities endorsed by the FCA and ACA.

As a sponsor, you will have the opportunity to network and market your services to Chiropractic Physicians and other affiliate members of the society from Pasco, Hernando & Citrus counties. Marketing and relationship building opportunities are provided through our membership meetings and miscellaneous other activities.

Our society offers at least 6 meetings per year which provide the best way for face to face networking with our members, affiliate members and other sponsors. Our meetings are usually held the 3rd Tuesday or Wednesday of the month, but sometimes we need to adjust due to the venue or sponsor's needs. The dates are always posted on our website in advance with an invite sent as well. Since we cover such a large geographic area, we have extended our meetings to different parts of Pasco County as well as into Hernando County to include our fellow Chiropractors and supporters in those counties and those meetings have been a success.

Networking/social time begins at 6:30pm and dinner is served around 7pm. We cover general housekeeping, reports and updates from our FCA Director and then our featured speaker presents to the group. The meeting concludes typically around 8:30pm and some stay to continue networking. There is never a meeting in August due to the FCA National Convention in Orlando and additionally, we usually do not have a meeting in November or December.

As a sponsor, your logo and company information will be listed on our Society Sponsor page of our web site. A link to your website will be placed for easy access. If you are the featured speaker for the meeting, your logo and company information will be featured on all marketing materials distributed as well as on our social media outlet. Our website is www.NorthSuncoastChiropracticSociety.com.

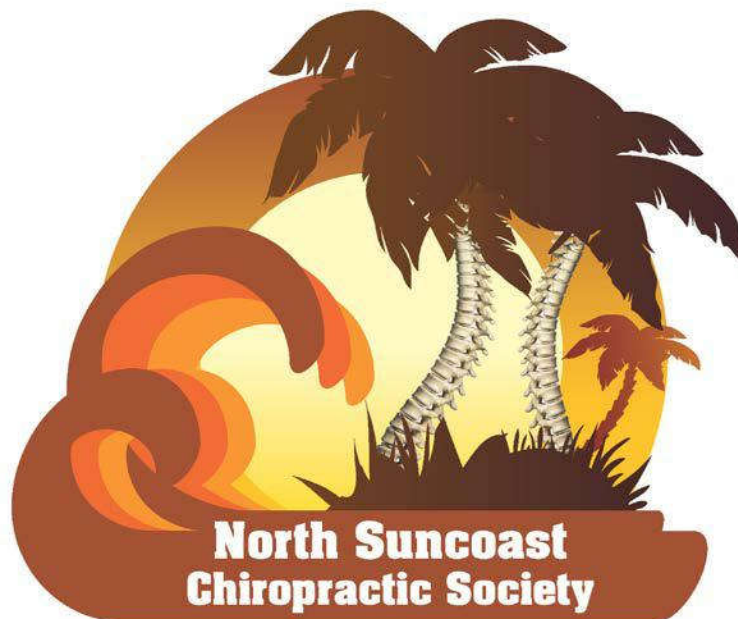

The NSCS is a sponsor driven organization. Your investment in our society shows a commitment to support our profession. In exchange, we strongly encourage our members to support those who choose to support us.

Thank you again for your interest in sponsoring our society. Please complete the application, attach payment and mail today. If you have any additional questions or need additional information regarding sponsorship, please contact our Marketing Director, Christy Branham at (727) 237-1529.

Yours in Health,

Dr. Bethany Dixon
President
